

Level 3 | First Aid – Occupational First Aid

(HLTFA401B – Apply Advanced First Aid)

Course Description

This course deals with the provision of advanced first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance. This unit also addresses the establishment and maintenance of facilities to enable or facilitate the provision of appropriate first aid in the workplace. This unit also incorporates the content of HLTFA404A Apply advanced resuscitation techniques.

Course Outcome

At the successful completion of this course participants will be issued with a statement of attainment valid for 3 years*.

*Please note that the CPR component of the training is only valid for 12 months and should be updated annually.

Course Entry Requirements

Participants must hold a current level two first aid certificate (HLTFA301B – Apply First Aid).

Course Duration/ Delivery Method

This course consists of 28 hours of face to face training.

Assessment Procedure

You will be assessed at the end of the course to show your instructor that you have an appropriate understanding of the procedures necessary to manage a life-threatening situation. This will consist of a theory assessment and some practical demonstrations.

Course Cost

\$350 per participant.
